

Posting Submission Instructions

1. A good quality photograph of the item. Preferably 256x192 pixels. If yours is larger, it will be cropped to 256x192. The photo can be .jpg (JPEG) or .png format.
2. An identification of the item: for example, Icom 7700 Transceiver, or Rohn 25 Tower Base.
3. Approximate age of the item (if known).
4. A one paragraph description of the purpose, use, and condition of the item.
5. How the item will be transferred to the buyer: freight shipping only, suitable for parcel post, or pick-up only (give location).
6. Cost and acceptable method of payment.
7. Your callsign and email address to communicate with potential buyer.
8. Date of closing: 30-60 days after date of posting.
9. Submission of a posting implies acceptance of the Terms Of Use.

Email the above items to w3seh@arrl.net. It will take some time to post the listing. A web site area will be created with the above information in it. Prospective buyers will be able to click on the link below the picture to see the listing.
